Education Objectives:

Based on theoretical studies in performing arts, we uphold the equipment of both virtue and talents; emphasize the pursuit of truth, goodness and aesthetic understanding. Not only do we fully develop the fundamental characteristics of a range of professional areas in drama, music, traditional Chinese music and dances, we also intensify creativity demonstrated through inter-disciplinary collaborations, nurturing of international perspective, and recruitment of outstanding faculty. Ultimately, we aim at fostering contemporary, expressive performing artists.. The specific goals are as below:

1. Based on core studies courses and cultivation of humanities, we foster professionalism, dedication, and teamwork spirit in performing arts talents.
2. Develop the expertise and skills in performing arts.
3. In line with the multi-faceted trend of our time, integrate inter-disciplinary usage of media technology in developing performing arts.
4. Practice our care for our society by cultivating the public understanding and appreciation of aesthetics in performing arts.
5. Promote the exchanges among teachers and students with the local or foreign performing arts industry, and broadening of international perspective.
